

The 2023 Canine Conditioning Academy Masters Series

www.canineconditioningacademy.co.uk

The aim of the Masters series is to encourage a high level of competitive running in UKA classes and improve the overall standard of top-level agility in the UK. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level. The Masters is also intended to attract the highest standard of judging over challenging agility and jumping courses. Courses will be designed by the Judges for the WAO, EO and AWC of the current year to allow those that are aiming for those competitions to practice the style of courses they may face.

Regular Show General Rules • Open to all UKA Senior & Champion Level Performance dogs. • Separate competition for each height. • Agility and Jumping classes with results combined. • Both classes must follow the equipment rules of Champion agility and jumping but must also include a 6m pipe tunnel, a 3m straight pipe tunnel, a long jump, a spread and a tyre. A wall may or may not be included. • There will be a maximum of 22 obstacles permitted. • Course size should be a minimum of 35m long with show managers encouraged to provide a 40m long ring where venue allows. • Handlers must run in strict running order in both rounds, failure to do so will result in elimination. The agility round will be run in reverse order of the jumping round results. • Any late entries will run before those pre-entered. • Where a handler is running 2 dogs drawn close together the first dog may be moved up the running order to obtain 3 dogs between the handler's dogs. If this is not possible the handler will be given a 3-minute break between dogs. **Scoring** • Standard UK Agility Marking will apply. • Faults are converted into seconds. 5 faults = 5 seconds. • Time faults treated the same as course faults. • An elimination = 50 faults. • Dogs eliminated on course will be given a time of 50 seconds. • Dogs with the lowest score will be deemed the winner. • In the event of a tie the result from the agility class will be the deciding factor. • NFC runs are not permitted in Masters classes. • Any extraordinary circumstances to be ruled by UK Agility.

Final Qualification • 10 Masters Series Heats • 1st & 2nd Overall qualify for Final unless they gained elimination in the jumping or agility round • 1st place in the agility or jumping round qualifies for final regardless of score in the other round • The annual Masters final will be held at the UK Agility Grand Finals • The final will follow the same format as the heats.

Prizes • Entry fee = £12.50. • £7 of the entry fee placed in heat prize fund. • Each height has its own prize fund and will be divided as per Masters "Prize Money Guide." • £1 from each entry fee will be placed in the final prize fund. • At the final each height has its own prize fund and will be divided 1st = 50%, 2nd = 25%, 3rd = 15%, 4th = 10%. • Winner of each Masters will gain the letters MA after their UKA name • Winner of the final will win the title of the UKA Masters Champion, a status that remains with the winning dog.

The Dogeria Performance Challenge 2023

www.dogeria.co.uk

The aim of this competition is to reward consistent performance across Agility and Jumping classes and not simply to reward just the winner of a single run. It also aims to encourage new handlers and/or young dogs to increase their consistency and their ability to produce two good runs in one day.

General Rules • Open to all Beginner and Novice dogs which are entered in both the Agility and Jumping class on the day. • There will be a separate competition for each height. • Agility and Jumping class with the results combined. • Course level will be Beginner. • Spread jump will be set at Beginner specifications • Course time is to be at Beginner rates of travel. • Each class also attains its own results and count towards UKA progression. • There will be select height options in these classes but they will not be a qualifier. Only regular heights are counted for the qualifier.

Scoring • Standard UK Agility Marking will apply. • The dog with the least faults will be deemed the winner with time used as a tie break. • An elimination = 50 faults. • Dogs eliminated on course will be given a time of 50 seconds. • In the event of a tie the result from the Agility will be the deciding factor. • Any extraordinary circumstances to be ruled by UK Agility.

Final Qualification • 10 Heats • Top 2 from each heat qualify for the Final. • The Final will be held at the UK Agility Grand Finals. • The Final will follow the same format as the heats.

The CSJ UK Agility Grand Prix 2023

www.csjk9.com

General Rules • Open to all dogs from Novice to Champion level. • There will be a separate competition for each height. • All levels will run over the same course with each level attaining its own results counting towards UKA progression. • Course design level should be of a Senior Agility course. • Spread jump will be set at Novice specification • Course time calculated with Senior Rate of Travel. • The results of the 3 levels will then be combined. • There will be select height options in these classes but they will not be a qualifier. Only regular heights are counted for the qualifier.

Scoring • Standard UK Agility Marking will apply. • The dog with the least faults will be deemed the winner with time used as a tie break. • An elimination = 50 faults. • In the event of a tie a runoff will be required. • Any extraordinary circumstances to be ruled by UK Agility.

Final Qualification • 10 Heats • Top 2 from each heat qualify for the Semi-final. • The top 10 from the Semi-final will progress to the Final. • The Semi-final & Final will be held at the UK Agility Grand Finals and follow the same rules as the heats.

The Agility for Juniors Junior Masters 2023

Sponsored by

<https://m.facebook.com/Agility-For-Juniors-144841152247337/>

The aim of this competition is to encourage Junior handlers to compete against their peers in the sport of Agility and prepare them for their future competitions.

General Rules • Open to all handlers who were born on or after 20th May 2005 • Open to all levels and all heights. • There will be a separate competition for each height including select heights but only the 5 regular height leagues will qualify for the Junior Masters at the Grand Finals.

Final Qualification • The way to qualify for the Junior Open final is through a Junior league table taken from normal UK Agility Class results. (10 spots per height). • A dog may only run in one final, if it qualifies in two heights or with two handlers the dogs UKA registered owner will decide which final and with which handler the dog runs with. • The Final will be held at the UK Agility Grand Finals and follow the Junior Masters Rules. • Junior handlers will be contacted shortly after the close of the league via the email address on their handler account and if they have not confirmed attendance by 30th September they will lose their spot.

Junior League • Agility, Jumping, Games and Steeplechase classes held at UKA shows from 1st January 2023 until 20th August 2023 will offer the opportunity for Juniors to gain points. • Only classes with UKA progression points will count with progression points being used for the league. • Points for the league may be gained in both regular and select heights as each will have its own league. However only the regular height leagues will qualify for the Junior Masters at the Grand Finals. • If a partnership compete in two different heights over the year they will appear in both league tables. • Junior handlers must include their Date of Birth on their UKA account to be eligible for the league. The league will automatically include handlers with eligible DOB.

Junior Masters (Final) • The Junior Masters rules will adhere to the standard rules of the regular Masters however course level should be UKA Senior with course time also set using Senior course times. • There will be a maximum of 22 obstacles permitted. • Only regular heights will be available at the Grand Finals.

Junior Bursary. A bursary of £50 will be awarded to each height winner at the Grand Finals. The bursary must be spent on Dog agility training and will be paid on submission of the receipt for training.

The Split Pairs 2023
Sponsored by DOG StreamZ.

www.streamz-global.com/dog-streamz/

General Rules • Open to all dogs from all levels and all heights. • Dogs of ANY different heights can be mixed within the pair. 250, 300 and 400 dogs will run over 250 height and 500 and 600 dogs will run over 500 height. Therefore, the pair could consist of both dogs running 250 height or both dogs running 500 Height or 1 dog running 250 height and 1 dog running 500 height. • There is no Select option in this qualifier. • All pairs will be competing against each other in one competition. • Handlers may enter more than one pair. • Dogs may only compete in one pair in any heat and can only qualify once for the final. • The course will consist of two separate sections, with one dog completing the Jumping section and the other dog completing the Agility section. • The judge will decide which course will run first. • There will be a baton change between the first and second handler, see UKA baton rules. • The Jumping section will be made up of jumps and tunnels and a 12-pole weave. • The Agility section should contain jumps, tunnels, dog walk, seesaw, and A-frame. • Spread jumps should be set at Novice specifications. • Course design should be considered an easy Senior level

• Each section must contain between 12- 15 obstacles. • Course time at the discretion of the judge • All Pairs, both pre-entries and late entries must declare which dog is doing which section by the time the late entry for the class closes. • Pairs must run in strict running order, failure to do so will result in elimination. **Scoring** • Standard UK Agility Marking will apply. • An elimination = 50 faults. • A faulted baton change will incur 10 faults • Time faults treated the same as course faults. • If a handler is eliminated, they must make a sportsman like attempt to finish the course correctly, failure to do so will incur 50 seconds being added to the time. • If the timing is stopped inadvertently by one of the handlers or dogs before the end of the run the course time will be given as the pairs time. • The pair with the lowest score will be deemed the winner. • In the event of a tie a runoff will be required. • Any extraordinary circumstances to be ruled by UK Agility. **Final Qualification** • 10 Heats • Top 2 pairs from each heat qualify for the Final. • The Final will be held at the UK Agility Grand Finals and follow the same format as the heats.

The UKA Team Tournament 2023

Sponsored by Agility World

www.agilityworld.co.uk

General Rules

- Open to all dogs from all levels and all heights.
- Teams to consist of 3 handlers and 3 dogs made up of ANY combination of heights.
- There is no Select option in this qualifier.
- All teams will be competing against each other in one competition.
- There will be an individual Agility run and a 3 dog Team Relay
- The Agility will follow standard UKA Agility rules with Novice course time.
- The Team Relay will follow UK Agility rules with course design rules of WAO Team Speedstakes. (Each dog will perform 15 to 20 obstacles. An A frame and 12 pole weave must be included in both relay courses. All other equipment is allowed with the exception of Seesaw and Dog Walk.)
- Spread jumps should be set at Novice specifications.
- Course design should be considered an easy Senior level
- Course time in relay at the discretion of the judge.
- In the Team Relay 250, 300 and 400 dogs will run at 250 height and 500 & 600 dogs will run at 500 height. Course design must therefore take into account the possibility of 2 different heights. See UKA baton change over rules
- Handlers may be entered in more than one team.
- Dogs may only compete in one team in any heat and can only qualify once for the final.
- Team Relay must run in strict running order, failure to do so will result in elimination.
- Only 1 dog and/or 1 handler may be used as a reserve in the Final and the makeup of the team must adhere to the combination that qualified. From 7 days prior to the Final up to check in deadline, a reserve can only be used if the dog or handler are proved unfit to run.

Scoring

- Standard UK Agility Marking will apply.
- The results from the 3 individual Agility runs and the Team Relay will be combined
- Time faults treated the same as course faults.
- In the individual run an elimination = 50 faults and will be given a course time of 50 seconds.
- If a handler is eliminated in the relay, they will get 50 faults and they must make a sportsman like attempt to finish the course correctly, failure to do so will incur 50 seconds being added to the team time.
- A faulted baton change will incur 10 faults.
- If the timing is stopped inadvertently by one of the handlers or dogs before the end of the run the course time will be given as the teams' time.
- The team with the lowest score will be deemed the winner.
- In the event of a tie the team relay score will decide the winner.
- Any extraordinary circumstances to be ruled by UK Agility.

Final Qualification

- 10 Heats
- Top 1st placed team from each heat qualify for the Final.
- The Final will be held at the UK Agility Grand Finals.
- The Final will follow the same format as the heats.

The Games Challenge Final 2023

General Rules • Open to all levels and all heights running in one competition. • The semi-final and final will consist of a Gamblers course and a Snooker course.

Scoring • Standard UK Agility Marking will apply. • The judge will use the Senior and Champion level games rules. • The judge can include additional rules providing clearly stated in briefing. • Both points and times will be combined from the 2 classes • Eliminations score 0 points and will be given a time of 100 seconds • The dog with the most points in the fastest time will be deemed the winner • In the event of a tie the competitor with the most Gamblers points in the fastest time will be deemed the winner. • Any extraordinary circumstances to be ruled by UK Agility.

Final Qualification • Qualification for the 2023 Semi-final will be by a dog and handler partnership winning 3 games classes with a qualifying score between 1st July 2022 and 30th June 2023. Wins may be gained at regular or at select height. • The Semi-final to be held at the UKA Week show 2023, on Friday 28th July • All dogs will run at their regular height at the Semi-final. There will be no select option. • The top 20 from the Semi-final will qualify to compete at the Games Challenge Final to be held at UK Agility Grand Finals

Semi-final and Final • At the Semi-final at UKA Week and at the Games Challenge Final at the Grand Finals, the gamble values can be changed and bonus points may be available at the discretion of the judge. There will be no select option at the Semi-final or the Final. All dogs must run at their regular height.

General Grand Final and Heat Rules

- Once a dog has qualified to compete at a particular final with a handler it will be unable to qualify again for that specific final with another handler.
- The first qualification a handler and dog obtain will stand. They may not withdraw and qualify again in a different height or at a later date.
- If a dog is measured into a higher height category after Qualifying for an event in a lower height, they will be moved into the higher height category. If a handler is found to have run in the wrong height or been ineligible due to not following UKA measurement rules they will be removed from the event.
- If a measurement is due on the day of the heat (1st measure or over 2 measure) then this must be carried out before they run in the qualifier. If it is not and they are in the wrong height they will be removed from the event.
- In Masters Heats, dogs may run at any height they are eligible for, regardless of what height they have competed at on that day.
- In Masters Heats, dogs can run in different heights in different heats. If they qualify for Grand Finals in different heights they will be required to specify which height they wish to run at before provisional running orders are produced. This is due to this event being a WAO qualifier.
- All events at The Grand Finals are invitation events with an entry fee. All handlers will be required to purchase and wear official clothing whilst competing. Clothing will be available for collection at the event, and if the handler is unable to compete and collect, best efforts will be made to forward the clothing on. Please contact UKA directly to arrange.
- Handlers must have checked in during the check in time specified on the check in and briefing timetable. If they have not checked in by then they will be unable to run. At the Grand Finals all paperwork is produced on the day hence the inclusion of this rule.
- Where a handler is running 2 dogs drawn close together in a heat or at the finals, the first dog will be moved up the running order to obtain 3 dogs between the handler's dogs. If this is not possible the handler will be given a 3-minute break between dogs. At the Grand Finals a handler may state at check in, that they do not want their running order changed so they maintain the running order advantage. If this is the case a 2-minute break will be given. Time starts as the first dog crosses the finish line and stops as they enter the ring.
- In the UKA Grand Prix, Steeplechase Showcase & Beginners Steeplechase eliminations at heats will not qualify for the Grand Finals. Eliminations in semi-finals will not progress to the final of any event.
- Reserves may be called into any event at any stage if a space becomes available.

Bitches in Season at Grand Finals

Bitches in season will be able to compete at the Grand Finals 2023. This must be declared at check in and if possible, please notify the office before. These dogs will remain in their running order but will be highlighted on the public running orders in the venue with "BIS". We would ask all handlers with bitches in season to respect other competitors by keeping their dogs away from the competition area when they are not actually competing.
